The 23rd annual Kurling for Kids tournament will be a virtual event this year with different fundraising events taking place throughout the year. The K4K Organizing Committee would like to welcome you to what promises to be an incredibly fun year. While enjoying our organized events you can also be proud that you are participating in a major fundraiser for children's hospitals.

Our goal this year is to raise **\$250,000** in funds for children's hospitals in Quebec and Ontario. We are also hoping that other clubs and regions join us to raise funds for critical needs equipment and services for their local children's hospitals.

To meet our objective, we need every Kurler/Fundraiser to raise as much money as possible!!

The **Kurling for Kids Raffle** is back again this year to help you with your fundraising. These amazing prizes are available in our raffle for **\$5** a ticket. Over \$12,500 in prizes!
