The 27th annual Kurling for Kids (K4K) tournaments will be held throughout the year at curling clubs across Canada. The K4K Organizing Committee would like to wish you and your team a great day! While enjoying a day of curling you can also be proud that you are participating in a major fundraiser for children's hospitals.

Our overall objective this year is to raise **\$600,000** for children's hospitals in Quebec, Manitoba, Ontario, and Alberta. We are also hoping that other clubs and regions join us to raise funds for critical needs equipment and services for their local children's hospitals.
